REGISTRATION AND SIGN-IN PROCEDURE:

1. Please complete the attached registration and waiver form before arriving at the church.
2. Turn in the registration form on sign in at the registration table.
3. Please read all on-site signage for additional information.
4. Please print the waiver form and the cue sheet from our website, www.suncitycycling.com
5. Be safe, have a good time.

Distances: 101 miles and 64 miles

Route: Please print your individual Cue Sheet before the event. Here is the ride with GPS route links:

Full Century 100 miles <https://ridewithgps.com/routes/41367894>

Metric Century 62 miles <https://ridewithgps.com/routes/41408421>

Route subject to change based on weather conditions and possible road construction.

Final route and cue sheet to be posted a few days before and the night before due to construction updates.

Support and lunch: This is a self-supported century. There are no SAG vehicles or stops (see exception below) for support. If you have mechanical or physical difficulties, you are expected to resolve them by yourself. Might be a good idea to make arrangements with a family member or friend to be available in case of need.

Lunch: We currently plan on having a volunteer to transport a small cooler, remind you small, for your lunch and drinks as you need. They will also have bags for you to leave any clothing items you might want transported back to the start.
